Wednesday, November 10th @ 12-1pm	How to CARE for Abused Youth	Having been a youth who experienced severe abuse and neglect in his youth, the presenter has a unique insight into what that is really like. He uses his first-hand experience and expertise to motivate and inspire professionals who work with youth with adverse backgrounds. He believes that to help, care, or serve others, while they experience adversity, we first must shift the way we view adversity.
